**WINE BACKGROUND:** This wine combines the vintner's choice of red wines each year into a signature dry red blend. This release is deep and dark due in particular to the characteristics of the French-American hybrid grape "Maréchal Foch", often simply referred to as "Foch". The tannin levels are soft which makes it easy to enjoy young but with a sturdy acidic backbone, it has respectable ageing potential.

**TASTING NOTES:** Aromas of dark fruit and cranberry, lightly herbaceous. Soft tannins on the palate with ripe, wild berry flavors and a velvety smooth finish. The plush fruits are balanced nicely by smoky, leathery, earthy components.

**ADDITIONAL NOTE:** Our label is based on "Cornett's Stone Bridge" located on the original road racing circuit that started in Watkins Glen, NY in 1948. A portion of every bottle sold will be donated to the International Motor Racing Research Center in Watkins Glen.
