Established in 1999, Atwater Estate Vineyards is a family-owned winery located on eighty scenic acres on the eastern side of Seneca Lake in Burdett, New York. Our exceptional site boasts a microclimate ideal for grape production, and as an estate winery, we are intimately connected to every vine we grow. This hands-on knowledge allows us to lovingly cultivate the grapes in our vineyards with precision, balance, and high quality control. As a result, the winemaking team can create thought-provoking, soulful wines in unique and innovative styles.
